Craig Kirkby

With over 30 years of experience in teaching and equipping, Craig is well resourced to speak on a wide range of topics at churches, conferences, and camps. His deepest passion, however, lies in the following two areas:

God's Nature

Craig's favourite topic is God Himself. He shares both standalone sermons and teaching series that explore the nature of God, covering themes such as **Yahweh Unveiled**, the **Father-heart of God**, **Transcendence & Immanence**, the **The Divinity of Jesus**, and the **The Person of the Holy Spirit**, showing how these truths shape our sense of identity and destiny.

God's Purpose

After God's Nature, Craig's primary passion is helping people understand God's purpose for humanity, expressed in Jesus' phrase, the *Gospel of the Kingdom.* He shares both standalone sermons and series on themes such as the **Kingdom of God**, **Thinking Kingdomly**, **The Will of God**, **The Great Commission**, **Calling & Gifting**, **Sphere of Influence**, **Generous Orthodoxy**, **Biblical Hope**, **The Parousia of Jesus**, **The Glorious Church**, **The Sermon on the Mount**, **Biblical Mentoring**, **Good-deeds Evangelism** and **Being Missional in a Post-Christian World**.

Craig also offers workshops and courses through two ministry initiatives: **Dayspring Project** and **Flourish Life**.

In Culture & Governance, we look at how Jesus rose above the culture wars of His day to advance the Kingdom and launch a counter-cultural movement that transformed the world.

Gifts & Calling

In Gifts & Calling, we look at how God has called and gifted every believer as a king, priest and prophet, and explore how to find, follow and fulfil your prophetic destiny.
